Starting a Business in the Town of Witless Bay

To obtain a permit to operate a business in Witless Bay, please start by filling out the "Application to Operate a Business" form. It is recommended you consult the town's Zoning and Land Use map to ensure that your proposed business is a permitted use in the location you have in mind, and that you have the required parking space, if required. Once Council reviews your application, an approval may be granted, conditional upon the approval of other applicable bodies (such as the Fire Chief, Services NL, etc.).

Businesses operating in Witless Bay must pay business tax to the Town. Business tax is in addition to commercial property tax. Businesses which operate from rented premises are also liable for business tax. Tax rates vary by type of activity. Prior to completing land purchases or land development, prospective buyers should check with the Town to determine the amount of assessments or levies that may be due, if any. Once conditional approval is granted by Council, the name of the business and its location will be sent to the **Municipal Assessment Agency**. The property will then be assessed by the agency and added to the Town's Assessment Roll.

THE IRISH LOOP CHAMBER OF COMMERCE represents the local business community. EDGE LEGISLATION: As part of the Provincial Government's goal to diversify the economy and stimulate private sector job creation, substantial tax holidays and start-up assistance is offered to new businesses. These incentives supplement other support programs already available in the Province. Businesses meeting the established criteria can obtain designation as an **Economic Diversification and Growth Enterprise (EDGE)** corporation and obtain incentives such as a 10-year holiday from provincial corporate income tax, post-secondary education and health (payroll) tax, and retail sales tax, followed by a 5-year phase in of these taxes. Other incentives include grants of \$2,000 for each permanent job created in the first five years of operation, and the appointment of a facilitator to assist a business with obtaining permits, licenses and other governmental authorizations necessary to implement the business plan. To obtain EDGE designation, applicants must meet certain criteria. Decisions on all applications are made within 30 days.
